

My dog

Hello, boys and girls. My name is Mark. I want to tell you about my pet. I've got a dog. His name is Lucky. He is white and brown. Lucky and I are best friends.

Lucky always wakes me up in the morning. My mother goes for a walk with the dog in the morning. My father and I walk our dog in the evening.

Lucky's favourite food is meat. He listens to music with me. We often watch cartoons together. When Lucky is ill, we take him to the vet.

My dog can play with me outside. We like rainy weather very much. I always put on my rubber boots to run in the puddles with Lucky. My dog and I are very happy together.
