

My dream house

Hello. My name's Kate. I want to tell you about my dream house.

I dream about a big red house. There are three large rooms in it. One room is for me. I want a green room. The second room is for my parents. And the third room is for our guests. There is a balcony, a kitchen and a bathroom in my house.

There is a garage for our car next to the house. I want a beautiful garden too. My house is near the park. My family and I can go for a walk in the park every weekend.
