

Getting ready for school

Hello!

My name's Veronika. I'm 8 years old. I am a pupil of the 2nd form. This is my school bag. It's yellow and blue. I put a pencil, a pen, ten crayons, a rubber, four books and four notebooks in my school bag. I also take some apples and water with me.

My teacher's name is Miss Jane. She's got a lot of toys. She's got a ball, a doll, a robot and a car. She always plays with children. There are many desks and chairs in our classroom. There is also a board. We can write on it.

My school is a wonderful place!
