

CD 2 Track 11 (p. 102)

Jack has disappeared!

- Where's Jack?
- I don't know. We've rescued Oscar and Toto and now Jack has disappeared.
- I've looked everywhere and I can't find him.
- Here he is.
- There's somebody with him.
- This is Mr Falcon. I've explained that we need to return home. He's got a hot air balloon we can use.
- That's wonderful. I've flown a balloon lots of times before.
- Look at the fields and that big forest over there.
- Hooray! We're home.
- We've really enjoyed this trip. Thanks you, Aunt Sophie.
